This program has been developed by the American Employees Association, a non-profit voluntary employees' beneficiary association (VEBA) and subsidiary of I.P. Hunt Foundation, Inc., a non-profit / tax-exempt community development and education organization to improve and enhance the health and well-being of the community at large by serving the needs of local employers through financial literacy, vocational training, health and welfare benefit as well as education and information plans and programs that provide disability, emergency medical and death benefits assistance for low-to-moderate income disadvantaged, uninsured and underinsured employees and their families in specific underserved employment related industries.

Personal Service Employees**

Job classifications generally recognized under this program in general include those types of employers having an "employment related common bond" as required under federal laws which includes employees of establishments engaged in providing personal care services for individuals, business and government establishments, and other organizations.

Employees of beauty shops, barber shops, garment pressing and agents for laundries and drycleaners, shoe repair and shoeshine parlors and other personal care service facilities.

This includes but not limited to establishments providing beauty, barber, laundry, cleaning, garment, shoe repair; shoeshine services; educational and vocational training, institutions, students; trade and membership organizations.

AEA

AMERICAN EMPLOYEES ASSOCIATION

*The **AMERICAN EMPLOYEES ASSOCIATION (AEA)** is a non-profit Voluntary Employees Beneficiary Association (VEBA) and the proud sponsor of this health and welfare benefit plan for Cosmetology, Beauty, Barber and Laundry Personal Service Employers and Employees in accordance with the rules and regulations of the Employees Retirement Income Security Act (ERISA) of 1974.*

AEA offers Disability, Emergency Medical, Hospitalization and Death benefit payment plans as a basic and/or supplemental financial safety net to protect employee members, their dependents or designated beneficiaries following any 45-day period of disability or inability to work.

All Personal Service Employees and/or Student-Interns 21 years or older with W-2 income and a minimum of one (1) year work experience with an Employer recognized by AEA are qualified to participate in the Plan.

This plan augments and supplements and is mutually exclusive from any and all other plans, private employer and/or State unemployment compensation programs other than the American Employees Association. This Plan is bonded and fully insured.
